BLAISE KOLODYCHUK PRESENTS:

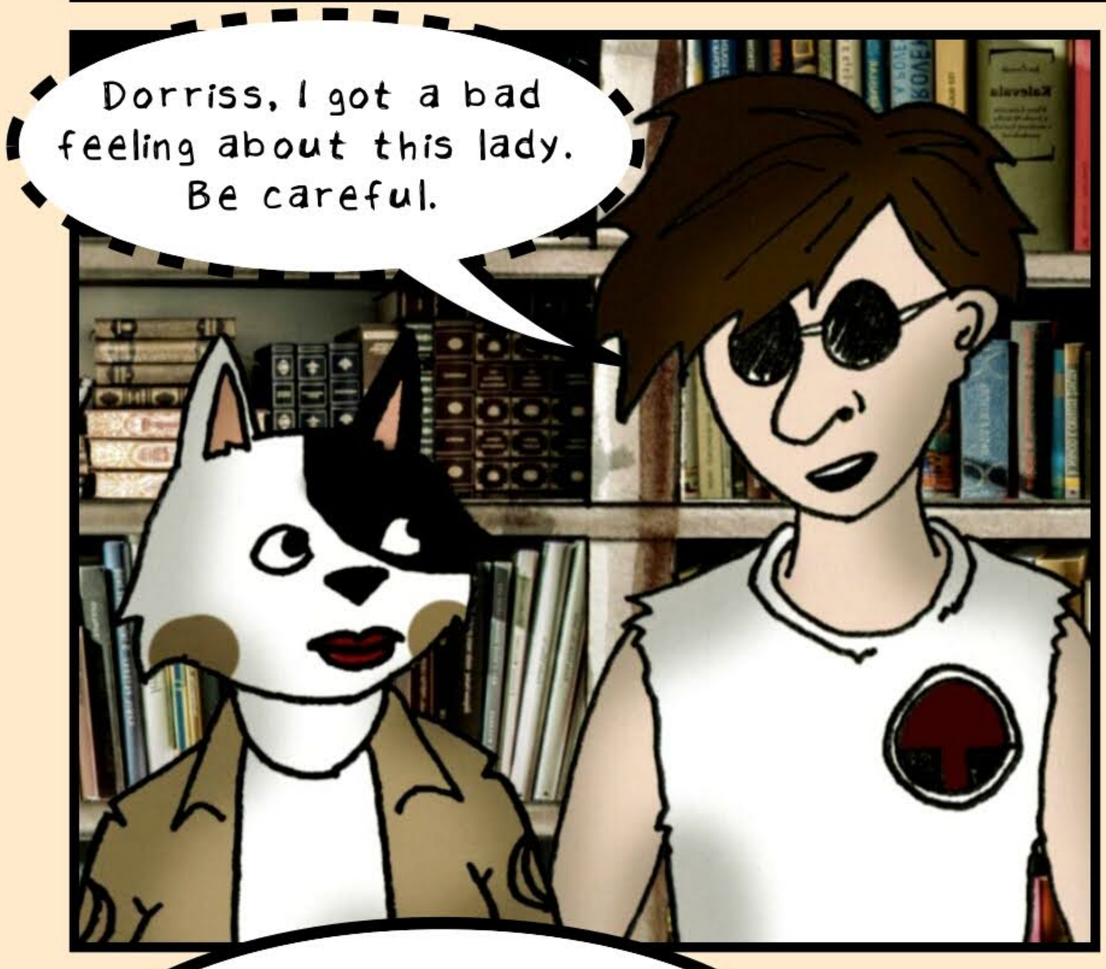
NANDI BEAR TENANTS - MEGA MADNESS!!

PART 2 - STONE COLD

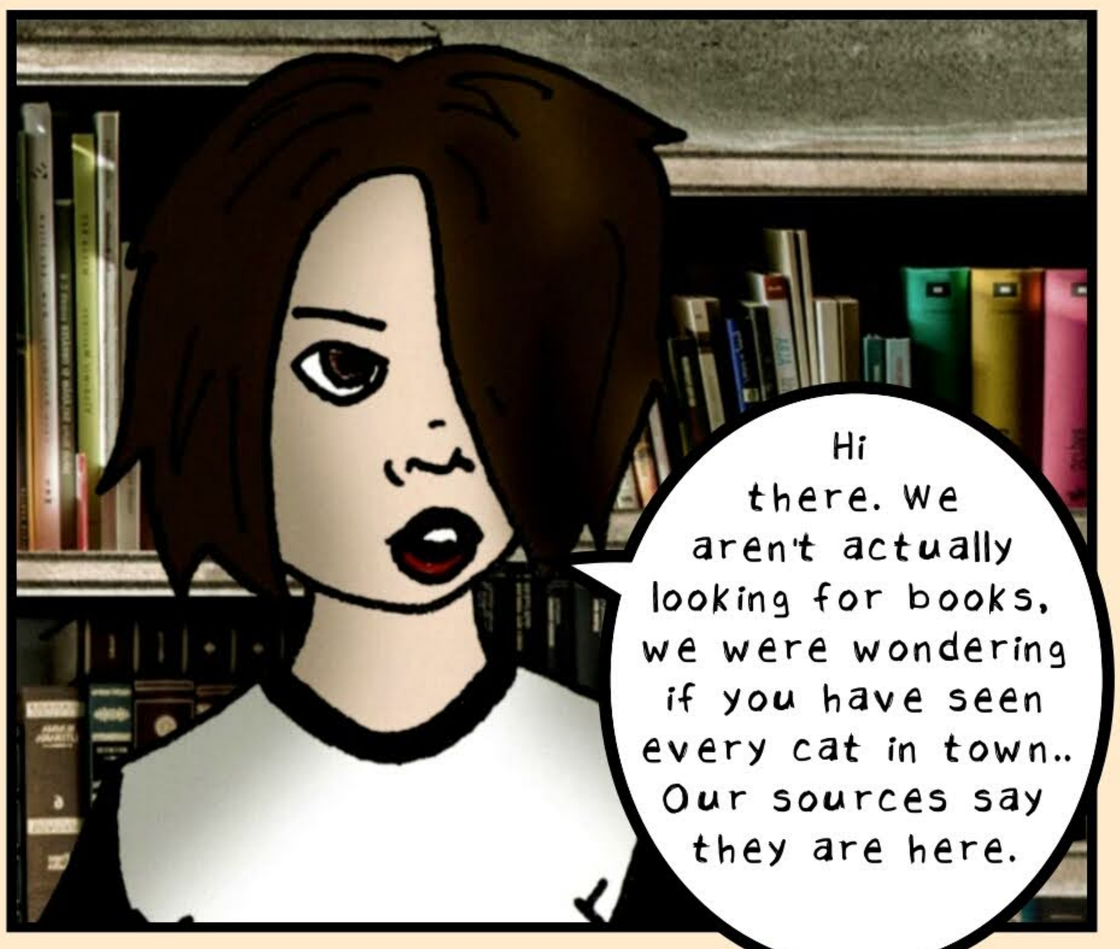
Naiad Bear, Dorriss Doom, Veltrax, and Oliver have been joined by the mysterious Captain Trash who among other things can sense and communicate with cats and other animals. He has led them here, to Gorgon Books.

OPEN
Well friends, here we are... the trail ends at this book shop.
I find it hard to believe all the cats have ended up in this boo shop.
Cats are known for their love of great literature.
Yeah, I myself have subscriptions to several of the finer graphic publications.
We all know about your comic book collection. Lets get inside and find those cats.
Agreed.
And one by one they enter the mysterious GORGON BOOKS.

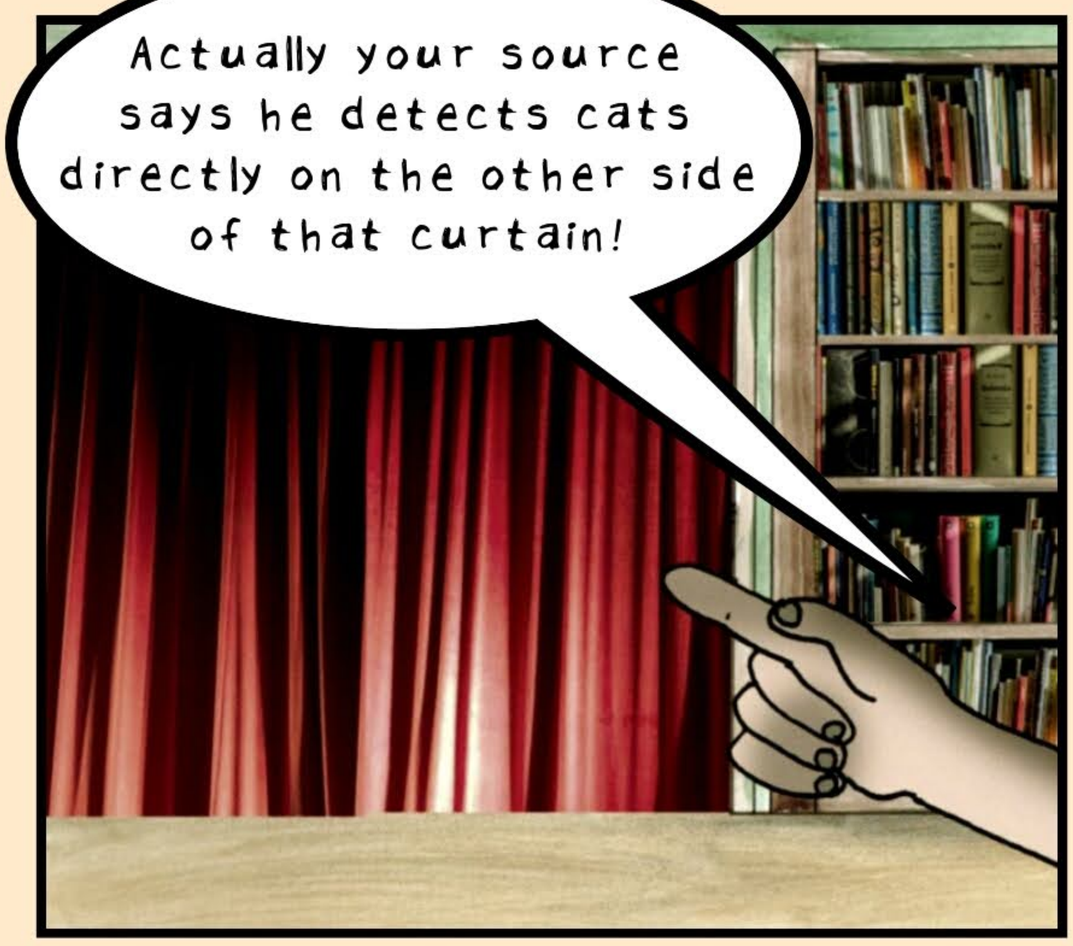
Hello folks, how may I help you?



Dorriss, I got a bad feeling about this lady. Be careful.



Hi there. We aren't actually looking for books, we were wondering if you have seen every cat in town.. Our sources say they are here.



Actually your source says he detects cats directly on the other side of that curtain!

You people better just leave now, and stay away from that curtain.

Sorry lady, but if you kidnapped all the cats in town, then you are gonna have to pay for your crime.

I swear to you I know nothing of cats.. But you better stay away from that curtain!

You are seriously just making that curtain seem more and more interesting with every word you say. Oliver, go check out whats behind curtain number 1.

You got it Dorriss.

This is your last chance.. Leave this place immediately!

Sure lady, just as soon as we liberate our cat friends.

She lowers the hood to reveal her snake hair!

I told you to leave!

The main snake on her head shoots a beam from his eyes at Oliver. He turns to stone!

ZZZAAAPPP!

Oliver! NO! How dare you you...

I am Medusa, I am the keeper of the gateway to the underworld. And I asked you to leave.

There is two problems with that, crazy hair. One, you just turned our friend to stone, and two we still haven't got the cats back.

Captain Trash opens the curtain up and sees a swirling portal.

The cats are through this portal.

If there are cats in that portal they went there on their own, for I am not a cat person.

Oh yeah? Well I'm not a crazy snake hair lady person.. Change our friend back now!

How about you join him instead?

ZZZAAAPPP!

She shoots a beam at Dorriss. But she quickly jumps out of the way.

Meanwhile Captain Trash sees that there is a hole in the wall beside the portal.

I think I know how the cats got in to the portal. There's a hole in the wall here.

Stay away from the Portal to the Underworld you human fool!

ZZZAAAPPP!

She shoots a beam at Captain Trash, he quickly holds up his trash can lid shield and the beam bounces back at Medua's head turning her snakes to stone!

KKKRRACCKK!!

My snake hair! You turned them to stone! MY BABIES!!

You know you were asking for it. Veltrax, tie this lady up.

So now that we have you where we want you, it's your chance to save our budding friendship and tell us how to change Oliver back.

Hahahahahahahaha ha!! You fools! The snake above my left ear holds the power to reverse the spell... but now that you have turned all my snakes to stone your friend will have to stay stone forever!

Not funny Lady. You better give us a second option or you will be eating those crazy stone snakes on your head.

Okay! Okay! There is one way to change him back, but I don't think you could do it.

We will be the ones to decide that. Spill the beans Medusa!

If you go through the portal you will be taken to the world under our world... where mysteries and monsters remain alive and well. There you will find the tower of Zebedah. She is the keeper of the Mega Gem. That gem holds the necessary power to break the stone curse on your friend.

We will also be able to solve the mystery of the missing cats while we are there.

Indeed. You better be right about this Medusa. We'll release you once we come back.

I have a lot of underwear jokes that I'm not saying right now!

I guess our next move is to the mysterious underworld.

We all appreciate your restraint Veltrax. Now lets go!

MEANWHILE ON PLANET BOOBALEE

That was unbelievable! I have never seen such an amazing display of courage and cunning in all my life. You two are true heroes.

As soon as I knew this beast was actually a robot I knew exactly how we could defeat him.

The good news is that this beast was only capturing the Boobalees and not eating them after all. They are all now free.

It would seem that this robot beast was sent here from Animole World. The dark prince of the night - BAD BADGER is responsible.

Bad Badger! That vampire creep! What did he want with Boobalees?

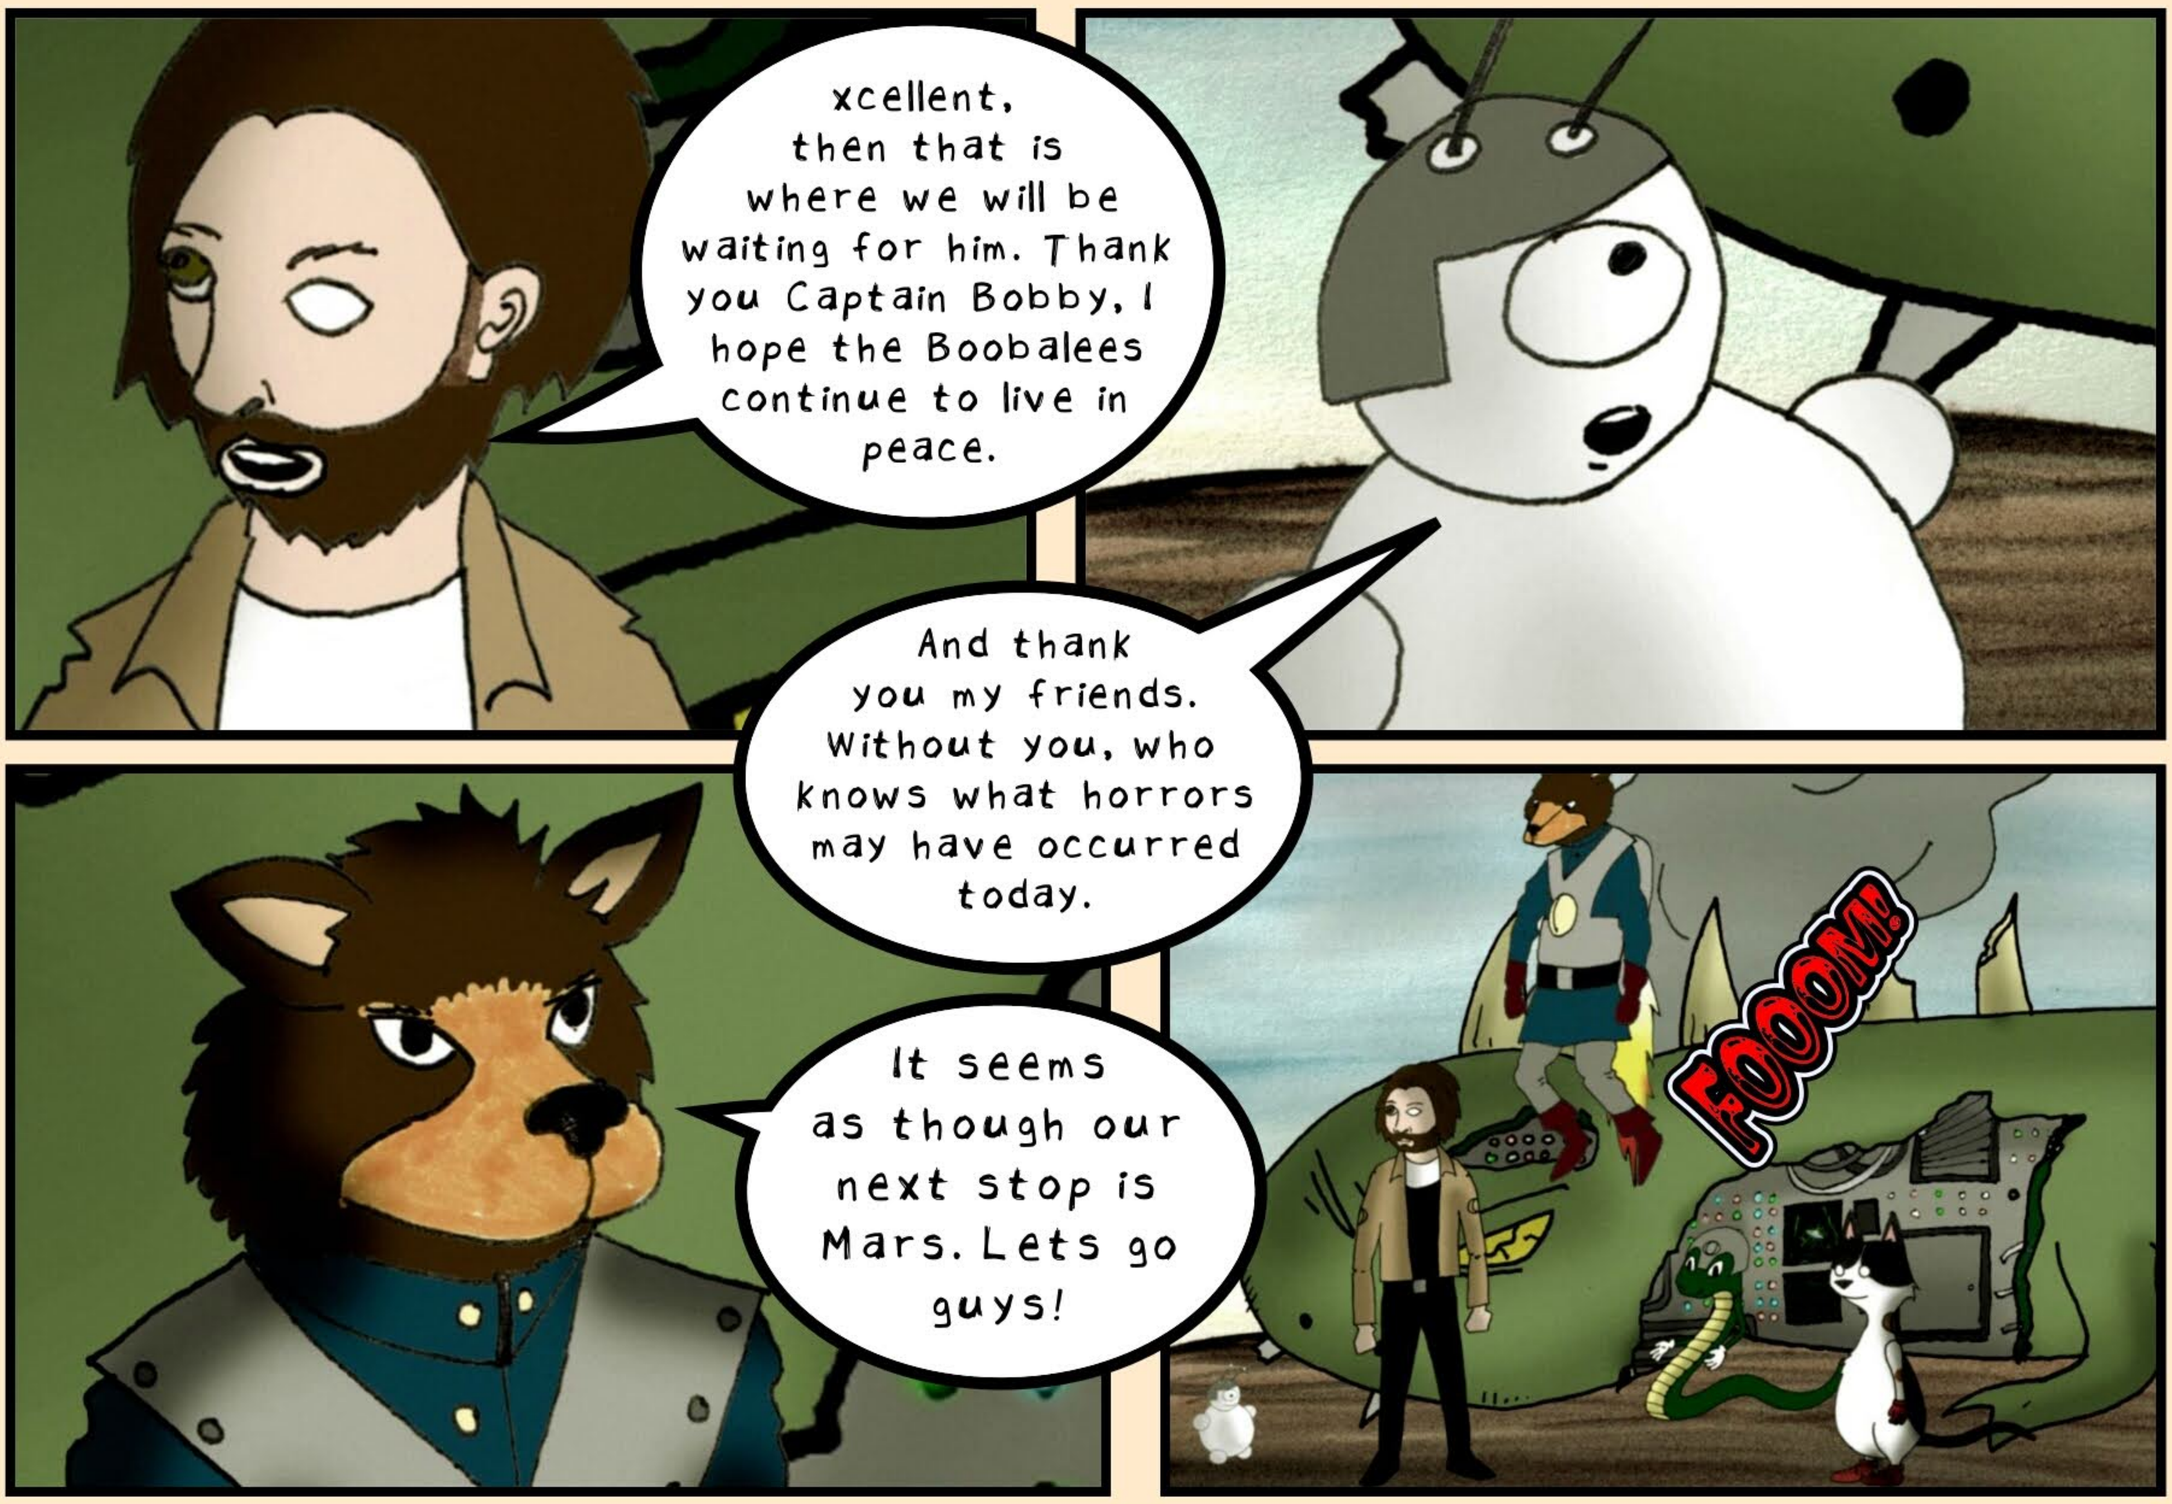
He was harvesting them for food. It seems like Bad Badger is on his way through this galaxy collecting small creatures to feed off of.

What will he do when he finds out we foiled his plan?

It seems as though his next stop will be Earth. He plans on harvesting every cat on the planet.

Perhaps we can stop him before he gets there, do we know where he will be?

Yes, it has his whole itinerary. And it seems he will be making a stop on planet Mars to refuel at the Martian Stop and Go.



xcellent, then that is where we will be waiting for him. Thank you Captain Bobby, I hope the Boobalees continue to live in peace.
And thank you my friends. Without you, who knows what horrors may have occurred today.
It seems as though our next stop is Mars. Lets go guys!
FOOM!
